

Dear customers,

The environment and sustainability are also a current and important issue at Berkel AHK Alkoholhandel GmbH & Co. KG.

This makes it all the more important for us to constantly improve and develop ourselves. That is the reason why Berkel AHK has been part of the EcoVadis evaluation process since 2021.

Our continuous efforts in sustainability are clearly reflected in the development of our EcoVadis rating. Starting from an overall score of **52/100 (52nd percentile)** in 2023, we significantly improved to **63/100 (75th percentile)** in 2025. This positive trajectory continues in our latest 2026 assessment, where we achieved **67/100 (74th percentile)**.

We are particularly proud of the progress made in the following areas:

- **Environment**, improved to **68/100**
- **Labor & Human Rights**, increased to **69/100**
- **Ethics**, showing strong progress at **72/100**

These results demonstrate that our structured approach, clearly defined processes, and strengthened commitment to sustainable practices and responsible supply chain management are delivering measurable impact.

At the same time, we recognize further potential for improvement, particularly in the area of **Sustainable Procurement**, which remains a key focus for our ongoing development.
